

O's Concessions 2016

We have started the new season and we need to increase our pool of trained volunteers. Volunteers need to attend the concession training (obtain an ID) and come out to work concessions at O's games.

TRAINING DATES for new volunteers are:
more are to be announced soon!!!!

*We learned last year that we need to have more leads trained than we had in the past. I am asking that you consider signing up to get lead training. Lead training dates are to be announced soon.

RETURNING VOLUNTEERS: You can once again complete regular training online. Anyone willing to become a lead would still have to go for the lead training can bring your completed paperwork to the training and have your ID picture taken then. The time and commitment for a lead is really no more than being there to work the game because we are all in it together.

PLEASE, PLEASE, PLEASE - IF YOU ARE ALREADY TRAINED, TURN IN YOUR PAPERWORK!!!

Contact Terri at tcanter@verizon.net to sign up for training!
